

Trinity's own Laura Williams works for Meals on Wheels South Shore and has volunteered to deliver any uplifting cards or messages your children would like to make for its clients. Colorful greetings expressing joy, hope and love would surely brighten their day! You can mail your items directly to Laura, and she will see that they get to Meals on Wheels. Just make sure the dimensions of the cards are small enough to tuck inside a lunch sack and avoid overt religious references, as Meals on Wheels serves a diverse community. Here is Laura's address:

Laura Williams  
4720 Temple Rd  
Minnetonka, MN 55345

[As an extra safety measure, the greetings will be "quarantined" for a week or so at Mt. Calvary before being distributed.]
