

# South Shore Park Saturday!

Saturday, October 15\*

Trinity's Outreach & Community Engagement team is pleased to announce the first joint event since the start of the pandemic to be held with our neighbors at South Shore Park (255 Mill Street).

In partnership with volunteers from **Moon Dog Landscaping, LLC** and **South Shore Park** residents, Trinitarians are invited to participate in a day of maintenance on the apartment grounds. There are jobs of varying size and intensity - something for everyone!

We will also be providing and sharing refreshments a meal with volunteers and residents.

**Watch for updates and information on ways to participate!**

\*Sunday, October 16 will be our backup date in case of a rainout
